

MOHAMMAD HUZAIFA

Computer Science Student | C/C++ & DSA | GSoC Aspirant

Delhi, India • github.com/mohammad43268 • linkedin.com/in/mohammad-huzaifa-359673344 • Open to Work

EDUCATION

Diploma in Computer Science | Jamia Millia Islamia, New Delhi Jan 2024 – Sep 2027

- Relevant coursework: Data Structures, Algorithms, Programming in C/C++, Computer Networks
- Active member of the department's programming community

TECHNICAL SKILLS

Languages: C, C++, JavaScript, HTML, CSS (Tailwind v4)

CS Fundamentals: Data Structures & Algorithms, OOP, Problem Solving

Tools & Platforms: Git, GitHub, VS Code

Frontend: React (learning), Tailwind CSS

Currently Learning: C++ STL, Advanced DSA, Open-Source Contribution

PROJECTS

DSA Problem Solving in C++ | Personal Project Nov 2025 – Present

- Solving Data Structures & Algorithms problems in C++ as preparation for GSoC and technical interviews
- Topics covered: Arrays, Linked Lists, Sorting Algorithms, Recursion, Searching
- All solutions documented and maintained on GitHub with clean code structure
- GitHub: github.com/mohammad43268/DSA-CPP

Frontend Web Development | Freelance / Self-Employed Jan 2025 – Present

- Built responsive web interfaces using HTML, CSS, and JavaScript
- Applied modern CSS techniques including Flexbox, Grid, and animations
- Currently integrating React for component-based UI development

CERTIFICATIONS

HP LIFE: Critical Thinking in AI | HP Life Foundation 2025

- Completed course on AI fundamentals, critical thinking, and evaluating AI-generated information

GOALS & INTERESTS

- Google Summer of Code (GSoC) — targeting open-source C/C++ projects
- Long-term goal: Software Engineering role in Germany (EU)
- Deep interest in systems programming, backend development, and open source
- Committed to 4–6 hours daily dedicated coding practice
